

## PHOTO CONSENT FORM

In this digital age the school takes many pictures of students involved in special events, activities, clubs, sports etc. We use these pictures to record, promote, and celebrate our school through many different venues including, but not limited to, our school website, school-related organizations' websites, slide shows, media publications, yearbooks etc.

All students will have a photo taken for our school's database. If we do ever publish a photo publicly, we would never publish the child's name, without parental agreement.

Please check one of the following boxes:

- YES, I want my child's photograph taken for school purposes.
- NO, I do not want my child's photograph used for school-related publications. This

includes the school's yearbook.
